- A guaranteed \$75,000 professional purse will be paid out using the breakdown above. Ties will only be broken for the overall champion (by playoff); any other tied positions (and payouts) will be combined and divided between the tied players.
- Professionals will be paid in their order of finish without regard to amateurs. For example, the lowest scoring professional will receive the 1<sup>st</sup> place payout, the 8<sup>th</sup> lowest scoring professional will receive the 8<sup>th</sup> place prize as noted in the breakdown above. Professionals who make the cut but are unable to complete 54-holes will receive the minimum payout.
- Any unused portion of the professional purse (due to amateurs making the cut) will be reallocated to professionals based on their overall percentage of the purse [*with the exception of the low professional*]. A reallocation of any unused portion of the purse will not be made if less than 10 professionals make the cut.
- In the event 54-holes cannot be completed; the professional purse will be paid out to the top 50 & ties (or anyone within 7 strokes of the leader).
- Amateurs making the cut will receive golf shop credit that can be redeemed only at the host club.
