

This is a step-by-step tutorial on how to enter the lottery for an individual Member Day. This process will need to be completed for each individual lottery you wish to enter.

1. Visit the lottery entry homepage [HERE](#).
2. Select "Enter Lottery for 2025 Member Days" circled below:

3. Click **on the name (blue text)** of the event you're looking to enter the lottery for:

4. If you were not signed in already, you will be prompted to sign in to your Golf Genius Player Profile. If you were signed in already, skip to step #6. If you have not yet created a Golf Genius Player Profile, select “Click Here to Register.” **You will need a Player Profile in order to enter Member Day lotteries.**

The image shows a sign-in and registration form. It features two input fields: "Email" and "Password". Below the "Password" field is a checkbox labeled "Remember Me" and a link "Forgot your password?". A prominent orange "Sign In" button is centered below the form. Below the sign-in section, there is a link "Don't have an account?" and a dark blue "Click Here to Register" button.

5. Once you are signed in, click on “Enter Lottery for (Member Day name).”

The image displays the "MEMBER DAYS" page on the Mass Golf website. The header includes the Mass Golf logo (a shield with a stylized 'M' and 'G' and the years 1900 and 2025), the text "MASS GOLF", and logos for Titleist and FJ. A navigation bar contains links for "Player Information", "Starting Times", "Results", and "Player Statistics". Below the navigation bar, there is a large shield logo. Two buttons are visible: "Enter Lottery for Member Day #1" (circled in red) and "Enter Lottery for other events from this series".

6. Select "New Lottery Entry."

7. You will see a screen like the one below. Double check that the auto-filled information is correct – this comes from your Golf Genius Player Profile. Your email and GHIN number will be displayed in the corresponding boxes. If it is correct, select the number of players you would like to enter the lottery for (**including yourself**). You do not need to submit any additional players' information at this time. That will only happen if you are drawn in the lottery.
